Special Ed. Teacher
Saranac Elementary School
Supply List for the 2023-2024 School Year

Dear Parents,

I would like to welcome everyone back to school. Hopefully you had a great and restful summer. We will be sending many papers home with your child the first week of school. Please take a moment to read them over and return any papers that need to come back to school. A few things to keep in mind for the school year are listed below: We have a snack time every day, so if you could send a snack with your child each day it would be appreciated. We work best when we are not hungry. Some good snack choices include: pudding, crackers & cheese, fruit, veggies & dip, pretzels or jello. I will send a schedule home by the end of the first week of school letting you know when daily specials occur. Please post the schedule where your child can see it. It is important for them to wear sneakers on gym days and bring library books back for library day. If at any time you have any questions or concerns please call me at school or send a note with your child in his/her assignment pad. Assignment pads are used daily so we are sure to see your notes.

Sincerely,

Mrs. Shumway
